

# LENTEN MISSION APPEAL 2018

Mary and Martha's Refuge

**Your ongoing support is needed to help your church continue the good work for children and families experiencing domestic violence. Mary & Martha's refuge offers help, security and support to women and children who come to our service at a time when there is nowhere safe for them to go. Here at Mary & Martha's they find safety, emotional support and a non-judgmental welcome on the start of their new path.**
